This high profile static bulletin is the first bulletin leaving Atlantic City on the AC Expressway. Command attention to all traffic leaving on the Atlantic City Expressway, and the Brigantine connector tunnel "Marina District, Borgata, Harrah's, and the Golden Nugget" merging onto the expressway from the overpass heading west. This billboard not only reads to traffic, it also can be viewed from The Walk shopping district at the intersection of Baltic and Fairmount Avenues. Our bulletin cannot be missed by any traffic leaving from the heart of the city, which makes it the ideal marketing tool for restaurants, retail, banking, medical, online gaming, and upcoming casino events.
