GARDEN STATE
OUTDOOR

These fantastic bulletins are ideal for sequel advertising use. Double your impact with these units that are located between the Pleasantville Toll Plaza and Exit 2 of the Atlantic City Expressway. Traffic passing these units have originated from the Greater Philadelphia area, the New York City Metropolitan area, and all points in New Jersey. Adjacent to the Atlantic City Visitor center, these units read to all of the traffic heading into the heart of Atlantic City where just straight ahead is retail outlet shopping, casino's, never ending nightlife, and much more await.

Each static bulletin unit can be rented individually
