

Static Bulletin Display

16' x 60' Static Display Facing East to Westbound Traffic at mm 3.7 on the Atlantic City Expressway

GS0106

www.gardenstateoutdoor.com

**GARDEN STATE
OUTDOOR**

This fantastic static bulletin is within the expressway right of way and has no setback from the motoring public. It cannot be missed. Located just east of the Pleasantville toll plaza, this is ideal for capturing traffic heading to the New York City Metropolitan area, all points in northern New Jersey, as well as the greater Philadelphia region. Within a few miles of this location there are multiple car dealerships, shopping areas, restaurants, and the Atlantic City International Airport.
